The Orange County Children's Theater was founded in 1969. We are the oldest, continuously running children's theater in Orange County. We are open to all young people ages 5-18 throughout our county and beyond. We perform 3 major productions a year, usually showcased at Huntington Beach High School, as well as putting on some smaller showcases such as our highly sought after "Songfest". These children and their parents are completely dedicated to OCCT and they volunteer their time working on costumes, building sets and finding or making props. They rehearse 3 days a week...on top of their school work! Each performance is such a labor of love built on a foundation of very hard work.

We are currently raising funds to replace our microphones to comply with new frequency regulations within the year. The cost of this is estimated at **approximately \$30,000**. In addition, we have recently moved into our own space which houses our rehearsals, costumes, sets and props and we hope to install some resilient flooring and seating on the rehearsal side.

The arts provide the opportunity for children to express themselves, develop their personal creativity and the confidence they need to go out into the world and be successful. Many of our talented children have moved on to professional careers in theater, music and dance while others have become leaders in business and elsewhere in their communities.

We welcome children from all social and economic backgrounds but we can't do this alone. Our group is a 100% parent and volunteer run, 501C3 organization. We rely on the generous contributions from our neighboring partners like you to keep this program going.

On behalf of the Orange County Children's Theater students, their parents and the Board of Directors, I thank you in advance for your consideration.

Thank you,
