

Ads should be emailed to occttheatre@gmail.com

There are **three** options available for submitting your ad:

1. **Create your own Ad :**

- Design an ad that conforms to one of the below dimensions according to what you paid for using high quality pictures (if any) and submit in *.JPG file format. **MS Word, MS Powerpoint, MS Publisher, etc are not preferred formats.** They still require the OCCT designers to convert the content into a *.JPG file. MS Office files usually do not preserve the quality of pictures and result in blurry ads.
- Submit your completed ad by emailing to occttheatre@gmail.com by **July 5th.**

2. **We design your Ad(\$10 Donation to OCCT per Ad.):**

- Submit a high quality picture(s) in *.JPG or *.PNG file format with dimensions similar to the ad size payed for or bigger.
- Include in your email, the message that you would like included in the ad along with any instructions for the ad.
- Submit your pic and message to occttheatre@gmail.com by **July 5th.**

3. **Do not submit an Ad:**

- Thank you for your donation.

All payments should be made out to OCCT and given to the Treasurer.

Questions about Ads can be emailed to occttheatre@gmail.com

Ads that are not received by July 5th will not be included in the show program.
